This training is an overview course on municipal finances and financial management to satisfy the requirements of Article 2.4.6 of Chapter 2 of Part 1 of Division 2 of Title 5 of the Government Code including the following:

- Laws and principles relating to financial administration and short- and long-term fiscal management, including, but not limited to, the role and responsibilities of financial administration, financial policies, municipal budgets and budget processes, and financial reporting and auditing.
- Laws and principles relating to, but not limited to, capital financing and debt management, mechanisms for local agency revenues, pensions and other postemployment benefits, cash management and investments, the prudent investor standard, and the ethics of safeguarding public resources.
- General fiscal and financial planning principles and any pertinent laws relevant to the local agency official's public service and role in overseeing the local agency's operations and relevant to the local agency's procurement and contracting practices and responsibilities.

The League of California Cities affirms that this course satisfies the requirements issued in the Government Code for course sufficiency and accuracy.
